FROM THE PRESIDENT

The start of summer, with a fabulous weekend for Memorial Day, has been long awaited and well-deserved. I hope everyone is getting a chance to enjoy the club to its fullest. Whether playing bocce ball, enjoying a pizza in the Quarterdeck, getting involved in the action with Kelly at the tennis courts, or playing golf on one of the finest conditioned golf courses around, this is the place to be.

Congrats to Mike Rossen and to all the club staff for once again making our Invitational a memorable event. From the condition of the golf course to the excellence of the wait staff and all the wonderful food, it was top notch. Way to go to Mike Murphy and former member (and president) Bill Rupp. A nice victory for two great guys!

See you around the club!

Dr. David Crandell
President

FROM THE MANAGER

Dear Members,

Here at the club, we like to make the most of the summer months and this year has been no different. The club has been full of activity, from the water to the golf course.

June brought our 2014 Men's Invitational—one of the biggest events of the year. Between the members, their guests and the staff, we were able to see this annual event play out with incredible success. Congratulations to Mike Murphy and Bill Rupp for their big win and thanks to all of this year's participants.

Junior programming kicked off in June, with tennis, camp, swim lessons and sailing. Between these events and the junior golf camp scheduled for July, the kids are keeping busy and active at GLCC. Don't miss some of the great Family Fun Nights and Kid's Camp events yet to come in July and August!

Speaking of upcoming events, the Fourth of July is right around the corner. To celebrate Independence Day, we'll be throwing our annual beach party from 11:30am—3pm. We'll have games, an inflatable slide, tons of food and endless fun for everyone. Other big events in July and August include the Family Fun Night Carnival on July 18th—open to members & guests, as well as the Hully Gully—our biggest party of the summer—on August 2nd! These parties are always memorable ones so make sure you mark your calendars and contact the office with any reservations.

As always, be sure to check our website and Facebook page for updates on club events. Weekly emails from the club are another great resource for staying aware of what functions the club is hosting so, if you aren't already receiving these emails, contact Chelsea in the office to make sure we have the correct email address on file.

We have enjoyed the summer thus far and we look forward to more fun in July and August!

See you around the Club!

GOLF

Dear Members,

What a great summer we have had so far! It is great to see so many new faces participating in club functions. What great positive momentum we have going here at GLCC! Both Men's Leagues and Women's Leagues have more participation than we have ever seen. Let's keep the high participation up! July and August are packed full of exciting events.

We have just finished up one of the largest Invitational events we have had here at Gull Lake Country Club. We had 43 teams participating and it came down to the wire in the shootout, with Jim Ritz and Bill Kerecman and Mike Murphy and Bill Rupp going an extra hole before Mike Murphy made an incredible 3rd shot setting up the winning stroke! A huge congratulation to Mr. Mike Murphy & Bill Rupp, our 2014 Men's Invitational Champions. Thank you to all of our participants and we all look forward to next year's event!

We just began our Junior PGA League and look forward to a successful season with our juniors! This is the first year we have participated in the Junior League and we hope to build great momentum with the program going forward. We have a great week of Junior Golf Camp planned for July 9th - July 12th!

July is a fun filled month on the golf course—a few dates to remember are posted below.

July 3rd—Free Guest Day

July 4th—Stars & Stripes Shotgun

July 9th—12th Jr. Golf Camp

July 16th & 17th—Women's GAM Mid Am Championship

July 19th—Men's Member – Member (9 Holes Best Ball, 9 Holes Scramble 9 Holes Alternate Shot)

July 24th—Women's Member Guest

July 26th—Twilight Golf

GRASS CLIPPINGS

Dear Members and Friends,

Greetings from the Grounds Team. This has been an eventful start to the summer with all the different weather patterns and rain events. Your golf course is in fantastic shape and playing very well. Congratulations to all the 2014 Men's Invitational Tournament participants and the winning teams. This was a fun week with beautiful weather and it was nice to see everyone enjoying the club.

A big thank you to our staff for a great job so far this season. From the turf and bunkers, to the flowers—everything looks great! If you see one of them on the course, thank them. I know they would appreciate the compliment.

Please don't forget, if you haven't applied your fertilizer and grub control to your home lawn yet, you will want to get the control down so that you are protected this fall. The best time to apply fertilizer is just before a rain event so that the fertilizer can be watered in and get to where it needs to be. With grub control you want to get the product watered down into the thatch layer, which is about 1-2 inches down where the grubs will take up residency and begin to eat turfgrass roots.

Do your part by fixing ball marks, filling divots, raking bunkers and keeping your carts 30 ft from the greens whenever possible. After you rake a bunker, it is important to remember to please place the rake back into the bunker. It is also important to remember how to handle divots. When taking a divot from the fairway, it should be replaced if the chunk of turf has soil still attached. If the divot ends up in pieces, that's when you fill with the provided green sand. The club is in fantastic shape and lets all do our part to keep it that way. As always, if there is anything my staff or I can do to make your experience here at your club more enjoyable, please don't hesitate to call. See you on the course.

Best Regards,

Jesse Shaver
Grounds & Facilities Superintendent

TENNIS

Dear Members,

It has been a great summer on the tennis courts at GLCC! The courts have been busy with members every day and our junior classes are running strong. Our adult tennis and pickleball mixers have been a hit so far this season. Please join us for our remaining adult mixers! During the mixers we run three courts of tennis and two courts of pickleball. If you want to come out and just play tennis or just play pickleball, we will accommodate to what you want to play.

Have you tried Cardio tennis yet? Cardio is offered three days a week during the summer and it is open for all adult tennis levels. Just drop in and get a great cardio workout hitting baskets of tennis balls. Cardio runs Wednesday night from 6pm-7pm, Friday and Saturday morning from 9am-10am.

If you are looking for a little more instruction on court, please contact me for a private lesson or join one of the drop-in drills. Tuesday morning from 9am-10am is our beginner group, Thursday morning from 8:30am-10am is our ad-

vanced group and also on Thursday from 10am-11:30am our intermediate group runs. Please contact me if you are unsure which drill to come to.

Our junior tennis program is strong this summer with a lot of excitement from the pros and the players on court. Make sure to sign your player up for the second summer session beginning Monday, July 21-Wednesday, August 20. In the month of July, we will play four matches against Battle Creek Country Club and Kalamazoo County Club. Good luck to our players! Our Parent/Child Tournament will be played on Sunday, August 3 from 1pm-3pm. I'm excited to see who comes out on top this year at our Junior Club Championship on Tuesday, August 5. Make sure to hold those dates and get signed up!

If you need your racquet restrung, regripped or a new tennis racquet, please see me! I will be available Monday-Saturday this summer.

GULL LAKE YACHT CLUB

Ahoy All,

School is out by now, Junior Sailing program and Adult Sailing program are all set to kick off! Summer has arrived! Even the water temperature is on the rise.

The Sunfish Michigan Open was sailed the weekend of June 7-8 with 12 boats in attendance. Weather cooperated and the winds...well...this is Gull Lake and the wind came from ever changing directions. The Race Committee chased it all over the lake, not only chang-

ing direction but velocity as well. The last race on Saturday had 3 boats fail to finish due to lack of wind. Naturally, after towing the Sunfish back to Jim Richter's house, the winds returned! Of the 12 boats, 3 were locals, the rest coming in from Illinois, Ohio, Wisconsin and other cities within Michigan. Congratulations to Dan Norton from Manitou Beach, Michigan and Chad Coberly, former Gull Lake resident now from East Grand Rapids, Michigan for finishing 1 and 2 respectively. Dan had 4 first, and 2 seconds and Chad 4 seconds and 2 first. A real duel for first place overall!

It's amazing how the Gull Lake sail regatta's draw sailors from all over the country, not just from the local area. The Star fleet Tulip Time regatta in mid-May, regularly draws high caliber sailors from all over the US. This year's event, combined the 2013 and 2014 regattas into a Friday to Sunday schedule. 2013 was sailed on Friday. In the actual year of 2013, there was NO wind all weekend. It was the first time in 60 year history of this regatta that there was no racing, so the race was rescheduled to Friday before the 2014 races. Our own Jim VanderMolen and Jon Klerk won the 2013 event. Ben Sternberg came from Long Island NY with his boat, and his crew, Valentine Veytsman (originally from Bulgaria) from Miami, Florida and went home with the 2014 wooden shoes!! A couple of years ago 2 Star boats came from California (see picture) in an unusual way, to attend Tulip Time! Yea, California!! That's the kind of drawing power this club has! In past years, the Star Tulip Time has had National, World and Olympic Star class champions attend this long standing event. 2014 marked the 61 years of Tulip Time....Wow!!

The International 210 fleet has also attracted boats from all over the country. Although the National fleet has changed over the years, Gull Lake has attracted 210 skippers and crews from Wisconsin, New York, Massachusetts and they brought their boats along with them! Not a small undertaking for a long weekend!

A few years ago, the Flying Scot Queen of Scots regatta in August combined with the Michigan-Ontario Flying Scot District Championship and drew sailors from Wisconsin to Connecticut. The reigning Woman's National Champion at the time (who happened to be a former student of Max's) came in from Connecticut to sail against her Dad from Detroit. ...she beat him! Also a former WMU sailor came from North Carolina and purchased a Scot in order to sail his own Scot on his old stomping grounds of Gull Lake!

The Junior sailors travel to Gull Lake as part of the West Michigan Youth Sailing Association. I remember a very young sailor yelling to his parents, "Hey, there's fish in this lake!" Another remarked "I can see my centerboard (bottom of the boat)! I was perplexed until a parent enlightened me that their home lake was so muddy they couldn't see anything in the water!

So we should be proud to be members of a highly regarded Club, situated on a beautiful lake. I have heard comments at various awards ceremonies that Gull Lake was one of their favorite sailing venues...the grounds, the food and the people...and how they looked forward to returning next year. Many times we take our club for granted, but after comments like that...we have it pretty good here!

I hope you can get out and enjoy a day at your club and enjoy the beauty of Gull Lake.

Sincerely,

Tom Lechota

that all's right with the world.

What an enchanting beginning of summer with camps in full tilt, a successful Invitational and plenty of more activities and events to follow. I would like to take this opportunity to congratulate Mike Murphy and his partner Bill Rupp for winning the golf tournament in the Men's 2014 Invitational.

The Boat Bar is in full swing with the patio open and a new food and signature drink menu to accompany it!

Don't miss our annual Fourth of July cookout on the beachfront. This is a great opportunity to get family & friends to celebrate! GLCC will also be hosting a Family Carnival on July 18th. If everyone had a great time at the Carnival last year, I invite you to join us this year for even more fun and celebrations! Every week we are also hosting Wet & Wild Wednesdays at the Pavilion which is a wonderful way to enjoy another beautiful spot on Gull Lake to eat, drink and be merry. One last thing I would like to mention is the Hully Gully we will be celebrating on August 2nd. Many members came out to join us last year and I am keeping my fingers crossed that many of you will be joining us again. Reservations for any of the events I have mentioned can be taken in the office. Looking forward to a wonderful summer here at the Club!

It's a good thing!

CULINARY CORNER

Summer is sailing on at the Gull Lake Country Club, a season to celebrate all the fun functions at the club!

The kitchen will be in high gear with summer weddings, events and special functions. With all the business we do, our focus is always member food service, so if there is anything we can do to enhance your dining experience please do not hesitate to ask Chef Joe or myself.

The GLCC kitchen wanted to offer some helpful tips so that your next backyard BBQ will go off without a hitch.

1. Rule of thumb: For smoking foods, cook low and slow—at a low temperature for a long period of time, covered. For grilling thinner pieces of meat, cook at high temperature and fast: grill on one side, then flip and cook the other side, directly over the coals. If the pieces are thick, remove them to an area where they get indirect heat (not directly over the coals), so as to allow the inside to cook completely; partially cover to retain the heat. Most seasoned BBQ chefs rely on indirect cooking for the perfect piece of meat.
2. Apply sugar-based sauces at the end of cooking to keep from burning. Most traditional barbecue sauces contain sugar, corn syrup or tomato sauce, all of which burn quickly. To keep foods from sticking, lightly coat the cold grill with oil before heating, or use a vegetable spray. It also helps to lightly coat the food surface with oil before cooking, just don't let any excess grease cause flare-ups.
3. Fire up the grill in advance: charcoal needs time to become red hot, with a thin white ash coating. Gas grills also need preheating time: up to 15 minutes with the burners on high and the lid down.
4. Cut the fat—avoid flare ups: use a drip pan and move foods away from the fiery area. Re-move as much fat as possible before cooking and use lean grounds of hamburger or other ground meats.
5. Practice makes perfect: each type of grill cooks foods differently, and each type of food needs different attention. If you're planning a barbecue party, start practicing a few weekends in advance to hone down your grilling technique. Try a chicken dish one day, a beef or pork one the next, and include vegetables on the grill too.
6. Marinating adds flavor and tenderizes foods—use an acid-based marinade that contains vinegar, lemon juice or other citrus juice. If you wish to use the marinating juices as a dipping sauce, be sure to cook them completely in a saucepan to avoid cross-contamination from any raw meat bacteria.
7. Allow food to come to room temperature before grilling, but don't let it sit unrefrigerated longer than 20-30 minutes, lest you run the risk of food contamination
8. Use an instant-read meat thermometer to determine if your food is cooked inside. There's nothing worse than overcooked, dried-out barbecue, or undercooked charred-on-the outside-raw-on-the-inside chicken
9. Grilling is easiest and best with proper tools—for both cooking and safety. Make sure you have a checklist of equipment and that all pieces are set out and accessible by the grill. This includes, oven mitts, tongs, basting brush, etc
10. Timing is everything: Don't make the grilled foods wait for the rest of the meal or the party. Once it's cooked perfectly, it's time to eat. Get your side dishes together, your table set and make sure your guests have their drinks replenished—and don't forget: you'll need plenty of napkins!

Looking forward to seeing you at the club.

BEACHFRONT

Dear GLCC Members,

Well now that summer is finally here and in full force I'd like to thank everyone for their patience with the trampoline this summer. As you all probably notice we had a rough start with the trampoline but we are all set with a brand new one!

Also, a reminder to sign-up for all the fun activities going on with the beachfront this summer. We have kids swim lessons and adult aqua aerobics: for information please contact Megan VanderBoon at vanderboonm@gmail.com.

Of course there is the bocce ball league that is going on in which you can contact Chelsea for information at clafleur@gulllakecc.com.

We are really looking forward to seeing everyone throughout the summer at kids camp, family fun nights, or just at the beach.

See you soon,
