FROM THE PRESIDENT

I hope everyone is having a wonderful spring and enjoying the relatively mild and sunny weather. Things at the Club are in full motion - the golf course is open and in wonderful condition (thanks Jesse and your crew!); the tennis courts are active with matches, lessons, pickleball, etc.; and the docks are in and already in use. The excitement and energy of the pending summer of '16 is palpable!

As we look ahead into the year, there are a few items that I want to touch on briefly. We are saying goodbye to Ryan Reynolds after 5 years as our Head Pro. We wish him and his family all the best in their new adventures in Florida! So, we have put together a search committee for the new Golf Pro and are already in the process of narrowing the list of candidates and will be interviewing in the coming weeks. We want to be responsive to the membership and hope to have a new Golf Pro hired soon!

We have also been undertaking some cost-effective yet important upgrades to the facilities to improve your experience when you visit the Club. Take a look at the enhancements to the Lakeview Room with the new finishes, new casual seating and re-clad fireplace - looks great! One project in the queue for this fall that I wanted to mention is the replacement of the boat ramp. It has served us well for 40+ years, but now it needs to be replaced. Just wanted to let you all know that we have it in the works and that it will be completed this year.

Again, hope all of you are enjoying your spring and that you enjoy May (mostly because it's my birthday, oh and Mother's Day and Memorial Day too). Have a wonderful Mother's Day celebration - come to the Club for an outstanding brunch and stay around for the Memorial Day Weekend festivities at the end of the month. Great golf events, waterfront events and more!

I look forward to seeing each and every one of you around the Club having fun, making memories and enjoying all that our wonderful "slice of the world" on Gull Lake has to offer!

Looking forward to summer,

BJORN GREEN

PRESIDENT

FROM THE MANAGER

Dear Members,

After a quiet, yet successful winter season, we're ready to dive into the spring and summer months here at the Club! We are excited to have already added new members to the GLCC family this year. We know these members will all be a welcome addition to our community and a big part of a great summer to come!

Speaking of summer, the Family Fun Guide should have arrived in your inbox. This guide will be your reference to all of the classes and activities we have going on throughout the year. It is the best resource for information regarding sailing, golf, tennis, swimming and Kids Camp so be sure to keep it handy. If you're looking for an extra copy, you can always find them on our website as well.

We're pleased to announce that we have a good number of familiar faces returning to the club for summer sports and activities. Kelly Monahan is ready to get back on the courts with all of our tennis players, while Tom Lechota is returning as our Adult Sailing Instructor with Mike MacQueen returning to man the helm for the Junior Sailing Program. Pamela Barden returns as our Kids Camp Director. Pamela has been working hard to prepare a fun season for the kids, so get excited for another active and educational camp experience. This year Mariah Crandall joins us as our Beachfront Director. Mariah has been with the club for 3 seasons and she is super excited to be in this position. She really cares about creating a fun and safe environment at your beach. As many of you already know, Ryan Reynolds has accepted a new position to work for the David Leadbetter Academy in Orlando, Florida. We wish Ryan and his family the best of luck and thank Ryan for his 5 years of hard work and dedication. We have formed a selection committee and have started the interview process. Josh Burt, our first assistant pro will be assuming the position as interim pro during this process. Both he and Dan, our second assistant, will be here for the membership while we search for our next head golf professional.

Looking to stay more in the loop with club events? If you haven't already, make sure you find us on Facebook, Twitter and Instagram for club updates. You can also verify your email address with Michelle to ensure you receive our biweekly emails and be sure to check the Gull Post on our website at www.gulllakecc.com. The club is full to the brim with activities, events, classes, food specials, parties and so much more during our summer months and we want to keep you as informed as possible so that you don't miss out.

We look forward to seeing everyone at the club this summer!

MIKE ROSSEN
GENERAL MANAGER
MROSSEN@GULLLAKECC.COM
269-629-9714

GRASS CLIPPINGS

Dear Members and Friends,

Greetings from the grounds staff! This has been a wonderful spring so far with many nice changes and additions to your club. This spring is off to a slower start than we have become accustomed to experiencing. The sun has been shining for many of the days but the air was still quite chilly. However, this did not stop many of our more determined members from polishing their early season golf games.

The grounds team has been working very hard to get the golf course and club grounds into shape for the season. With the capital projects and renovations coming to a close for the season, everything is growing in nicely and looking beautiful. The in-house tree trimming project this spring was very successful, taking the grounds team about 5 weeks to complete. Trees will be more aesthetically pleasing and will be much healthier in the years to come. You will notice this season that we have taken a slightly different approach to the way we maintain our bunkers on a daily basis. The edges of the bunkers will be compacted with a smooth appearance with only the bottoms of bunkers being raked. This will hopefully prevent more balls from “plugging” into the faces and will allow balls to hit and then roll down into a flatter area of the bunker. We are still at the mercy of the weather with daily bunker maintenance but hopefully this change will improve playability of the bunkers throughout the golfing season for everyone.

The seedhead control on greens, tees and fairways was good this season without much discoloration and bronzing. We received about 40-60% control of seedheads on the greens, which is about average for the state of Michigan. Control of seedheads on turfgrass is a necessary evil and provides a much more consistent putting surface during the spring months along with more healthy turf for the entire summer golf season.

Please remember to do your part to keep GLCC special by fixing ball marks, filling divots, raking bunkers and keeping your carts 30 feet from the greens whenever possible. It is important to remember that after you rake a bunker please place the rake back into the bunker. Also when you take a divot from the fairway it is important to remember that if the chunk of turf has soil still attached please replace that; and if the divot ends up in pieces, that's when you fill with the provided green sand. The club is in fantastic shape and lets all do our part to keep it that way. As always, if there is anything my staff or I can do to make your experience here at your club more enjoyable, please don't hesitate to call. See you on the course!

GOLF

Dear Members,

Now that the up and down weather is behind us, it's time for us to take a look into the season ahead. This week started off the league year and it did so in style. Our women got it started in the morning with a Bingo Bango Bongo game and our men played later that day in the opening scramble. Both leagues battled the cold weather for an epic day of golf followed by our raw bar. As cold as it was, we had a great turnout with 24 participants in our men's opening night scramble, which was a great start to the year.

As most of you have heard, Ryan Reynolds has moved on to the David Leadbetter Golf Academy. We would like to wish him nothing but the best with his future endeavors. Our search committee has been engaged in interviews over the past couple weeks and will have a new head golf professional in place here shortly. As we go through the transition, Ryan's merchandise will remain in the shop. Do not forget to come by and spend your shop credit on Ryan's merchandise as he still has plenty of merchandise in the shop so get it while it lasts! As Ryan's merchandise is going out, we will still have new product rolling in regularly so come on in and check it out.

With the season now under way, we would like to inform you of some events that will be taking place over the next couple of months.

- **Wednesday Fun League** starts Wednesday, May 4th. The tee is reserved from 4-6 pm for our ladies. We will be having our free ladies clinics weekly at 5 pm.
- **Free Guest Day** - our first free guest day will be May 5th, and will continue on the first Thursday of every month. This year we are taking tee times so don't forget to call ahead!
- **Polar Bear** - coming up on May 7th, we are expecting great weather so get your team in before it's too late. This is a fun event to get the year started off. We will have a breakfast buffet, followed by a day of golf, games, prizes and raffles.
- **Twilight Golf** - our first event takes place May 27th at 6:30 pm. It's 70's night so come dressed in your best 70's outfits!
- **Memorial Day Shotgun** - this event will take place on Monday, May 30th. We are taking sign-ups for this event at this time so please let us know as this event fills up fast.
- **PGA Jr. League** - the schedule has not been finalized and will be sent out shortly so please be on the lookout for that.

Continued on next page...

We look forward to a great 2016 season and cannot wait to see you and your family out enjoying all that Gull Lake Country Club has to offer.

KRISTIN'S KORNER

There is plenty of play and fun to be had this upcoming summer in and around Gull Lake. Our committees, departments and staff have all been concentrating on making the summer of 2016 the most memorable one ever. We have many enjoyable events already going strong and some just heating up. Among these are Family Fun Nights, Wet & Wild Wednesdays, Thursday Burger & Brew Nights and select Sunday menus. Enjoying wonderful events are not mandatory at the club but they can certainly be key for you and your family. Check your Gull Post or social calendars for more information and if you have any questions or concerns, please feel free to contact me.

Numerous opportunities are presented to meet and socialize with friends along the way. These events can also bring a chance to meet the new faces we are welcoming to the club. I would like to take the opportunity to highlight a few dates in the months of May and June. May 8th is a very special day at GLCC as we pay tribute to all the wonderful mothers by hosting a delicious brunch where moms do not have to cook or clean. This event fills very quickly, so please get your reservations in. Then, join us for over-the-top fun on Memorial Day Weekend, where we meet to help welcome the beginning of summer. Expect lots of food, games and fun! Looking ahead to June 19th, we will be celebrating Father's Day with a brunch in celebration of them. If you are feeling ambitious, join us for both! These events are just a few I took the time to point out in this article and I guarantee you will find much more to suit you and your families.

In concluding my article, I would like to send out a warm hello and welcome all new and returning members to GLCC. This is going to be a "fantastic" summer and I am looking forward to seeing everyone enjoying their club.

Warmest regards,

KRISTIN KUBALL

ASSISTANT MANAGER
KKUBALL@GULLLAKECC.COM

TENNIS

Dear Members,

Summer time is almost here! I am excited to be back for my fifth summer at GLCC. I will be available full time starting Monday, June 6th. If you haven't already joined us on the tennis court this season, grab your tennis shoes, dust off your tennis racquet and come out and hit! For those of you who've never played, I strongly encourage you to make this summer the one to start playing tennis or the very popular sport of pickleball. I know you will enjoy playing on the beautiful GLCC courts.

The month of May kicks off with a tennis and pickleball mixer on Friday, May 6th at 6 pm. I can't wait to see everyone out on the courts that night. I am available in the month of May for private or group lessons and if I'm not available, rent the ball machine for an hour and get a great hit in. Make sure to take advantage of all of the summer racquet programs that are offered before the summer passes you by.

- Ten weeks of junior tennis classes starting Monday, June 20th
- Interclub junior matches against KCC & BCCC
- Weekly adult drop in drills on Thursday mornings starting June 2nd
- Cardio tennis starts Wednesday, June 8th at 6 pm followed by Friday, June 10 at 9 am
- Access to pickleball nets, paddles, and balls
- Friday night adult tennis and pickleball mixers
- Tennis ball machine available 24/7

Please contact me if you have any questions. Let's have a great summer!

ADULT TENNIS DRILLS

beginning *Thursday, June 2nd*

- Advanced Drop in Drill - Thursdays from 8:30 - 10 am
- Intermediate Drop in Drill - Thursdays from 10 - 11 am
- Beginner Drop in Drill - Thursdays from 11 - 12 pm

KELLY MONAHAN
RACQUET SPORTS DIRECTOR
KELLYMNHN@GMAIL.COM

UPCOMING MAY & JUNE EVENTS - PLEASE RSVP

- Friday, May 6th - Summer Kick-Off Tennis & Pickleball Mixer, 6 - 8 pm
- Friday, May 20th - Memorial Tennis & Pickleball Mixer, 6 - 8 pm
- Friday, June 10th - Margarita Mixer, 6:30 - 8:30 pm
- Monday, June 20th - Junior Tennis Lessons Begin
- Friday, June 24th - Junior Kick-Off Tennis Party, 12 - 2 pm

GULL LAKE YACHT CLUB

Ahoy all,

Spring seemed to come out of nowhere! One weekend it's snowing to beat the band, next it's in the 80's! Things are moving along at beautiful Gull Lake. The dock system went in in early April and now we are playing catch up to get the moorings in. But first, we need to get the pontoon boat ready and in the water.

Our rebuild project has been put off until the late fall due to the requirements from the Michigan Department of Fisheries that became part of the DEQ work permit conditions. The plan was to have the ramp work done by the first of May, so we were dragging our feet in anticipation of that work. Once we had the permit in hand and saw the requirements, we had a very narrow window to accomplish the work, too narrow. As I said, that's all changed, so here we go!

The Family Fun Guide has been published. I hope you read through it to see all the programs available for this summer. The Junior Sailing program has hired 2 assistants, Austin Lee and Grant Moore, further assisted by Jimmy Chadwick and Will Lockerbie. Mike MacQueen will be continuing as Head Instructor, it looks to be an excellent instructor line up for the kids this summer. All the details are in the Family Guide.

With the improving weather and the added hours at the Boat Bar, we hope you can find some time to come out to beautiful Gull Lake and dream how wonderful your summer might be!

See you at beautiful Gull Lake - very soon!!

TOM LECHOTA

TOMLECHOTA@GMAIL.COM

CULINARY

Well, here we are starting a new, busy season at the club and we are so excited to get underway. I wanted to let you know that we plan on putting in a garden this season. It will be located by the Pavilion, near the water. We think it will make a nice addition to the area. We plan on growing 15 to 20 different items including some fresh herbs for a true farm to table experience. I also wanted to let you know about my plans for the menu. In order to keep it fresh, we will be analyzing the menu every couple of weeks - pulling off things that are not selling and adding new items for you to try. This way there will be a little more variety and the menu will not become boring to those of you who eat here often. I also wanted to express that I am looking for your feedback as well so feel free to email your comments to me. Whether your opinions are positive or negative, I want to know what you're thinking.

Looking forward to seeing you at the club!

ADAM STACEY

EXECUTIVE CHEF

ASTACEY@GULLLAKECC.COM

KIDS CAMP

Hello Members,

We are gearing up and getting ready for fun and adventure at Summer Camp which starts on Monday, June 20th and runs until the Friday before Labor Day! I'm looking forward to spending my summer with the kids. We have lots of fun things planned including new and returning guests! This

year we are adding fishing to the program. Campers

will be now be able to fish on a daily basis! We will also be having Kalamazoo Book Arts come out and show us how to make a book journal. Wednesday Kids Night Out begin on June 1st which pairs perfectly with our Wet & Wild Wednesdays! The cost of KNO is now \$12 and this includes dinner, drinks and activities! Please take a look at the Family Fun Guide for all of the details concerning activities that your kids can participate in. If you have any questions about how to sign your kids up for any of these events or to find out the cost, please feel free to contact me.

PAMELA BARDEN

CAMP DIRECTOR

PBARDEN8910@GMAIL.COM

MEMBERSHIP

Dear Members,

The sun is shining, the lake is getting warmer and the club is bustling with activity - summer has arrived! I would like to welcome our newest members - Brad & Karen Rose, Pete & Amanda Woodruff and their son, Ian, Bret Feaster & Shelby Smith, Tom Barry, Tom & Kelly Burdgick and their children, Collin, Corey, Abigail & Anna, Raphael & Larissa Martins and their children Leonardo and Sophia. We look forward to having you at the club!

I hope that you all are utilizing Clubster - the private app that we have available for our members. It's a great tool to see what kind of activities and events we have going on around the club - you can even RSVP through it which sends an email directly to me. If you haven't signed up, let me know and I can send you an invitation!

By now you should have received your 2016 Family Fun Guide, if you didn't receive a copy, let me know and I can send you one. I really hope that you enjoy the re-branding we did on it and how it includes year round activities.

As always, let me know if you need anything! I'm just an email or phone call away. See you around!

BEACHFRONT

Hello everyone! I am excited to announce that I will be this upcoming summer's Beachfront Director! I am 18 and have just graduated from Plainwell High School and am planning to attend Western Michigan University in the fall. This will be my 5th summer working down at the beachfront, being the Beachfront Assistant Manager last summer and the Head Guard the summer before. I also put in two years of being a regular guard and have helped out with Kids Camp throughout the years, so hopefully I am a familiar face to you. However, if I am not, I would be happy to meet everyone I can and really get to know the members. If you have any questions, comments or concerns throughout the summer, I'm your girl! I want your experience down at the beachfront to be fun and full of summer memories so if there is anything I can do for you, just let me know. I look forward to seeing the sunshine, beachfront, past members, and plenty of new faces very soon!
